

Who are we?

Black Ant Recruitment is an agency that specializes in recruiting highly skilled people from all over the world.

We source people for companies and Australian based recruitment companies by having an international network and close relationships with migration agents. We travel extensively and can 'go shopping' for you.

All our candidates are thoroughly checked, interviewed and prepared for moving to Australia.

Mission Statement

Black Ant Recruitment will deliver the right candidate from anywhere in the world to your workplace, smoothly and professionally by using our national and international network, attention to detail, personalized style and excellent customer care.

How are we so different!

Need someone! We have a database of highly skilled candidates available now, posted on our website:
